LOREN -
 Well, I finally got around to signing this so-called annual
 of yours. Now I don't know what to say -- (Shock Shock) I just
 want you to know that you are one of the bestest
 friends of mine. Even though I call you "Narky" and
 "M+M", don't let it bother you too much. Even though
 you've only been here for one year, you've become one of
 the most popular kids because of your great personality,
 and your manner as a real gentleman - which
 you really can't say for many of the
 boys in this school -
 except for a few I think
 you've really done wonders for this
 school just by being yourself. Don't
 ever forget all the fun times we
 had in Band, English, Geometry, &
 especially in Biology. that we
 will get a lot of our classes together next
 year and have loads of fun. even in the
 short year I've known you, I've learned to
 like you a great deal and I'm sure I will
 grow to like you even more. So - Chic-A-Boom
 to you --- Now don't take that seriously ---
 OK.
